

RHINO RIVER CAMP SUITE “KAREN BLIXEN”

Dear All,

You might like to see the latest pictures of our new Suite! Some of them have been taken by the acclaimed photographer **Michael Poliza** who visited us recently.

The Suite is **100 sq.mts (330 sq.feet)** and has a master bedroom, a sitting room (easily doubling as a second bedroom for kids), two bathrooms, an external **plunge pool**, and an ample balcony. It is along the river and surrounded by huge raffia palms.

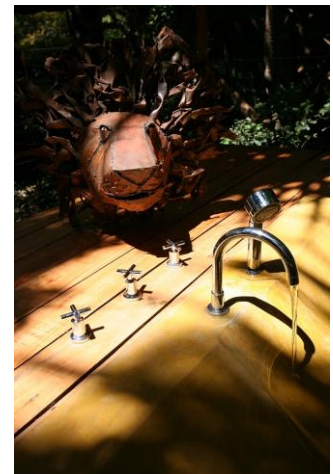

Ideal for families or for couples who like large spaces!
